Getting the most out of this Public Domain product.

You are allowed to do almost anything you want with Public Domain material. You can copy it, modify it, create derivative works from it and sell and distribute it as your own.

This reseller package contains a fully customizable sales and thank you pages plus this Reseller's readme file – you can modify the sales and thank you page anyway you want.

You must however include this Reseller's Readme file unless you totally change the sales and thank you pages and unless you do not use our proprietary graphics and website.

This package contains a Word file that you can modify as well. To create your own book or derivative work, we strongly suggest that you edit, rewrite or add your own content to it. If you want you may copy or add portions of other public domain works to it to create your own hybrid info product.

You can also create a downloadable audio book with a translated, edited or rewritten book. Audio books usually command higher prices than ebooks.

If you are not inclined to do any editing or rewriting, you can get someone to do it for you for a reasonable fee. If you want to outsource the editing or rewriting, click on any of the links below:

<http://www.rentacoder.com>

<http://www.getafreelancer.com>

By the way, you can also get someone to convert the rewritten or edited book into an audio book if you want.

One of the best ways to sell this ebook is to package it with other ebooks that belong to the same category. Example, if this ebook is about recipes, you can package it with other recipe ebooks. People nowadays would no longer mind paying a few dollars if it would mean saving them time. Many resellers sell more this way than by selling their recipe ebooks individually. You can get more ebook packages by joining NicheMarketingIdeas.Com.

We also strongly suggest that you join our [affiliate program](#), which will enable you to sell the entire NichemarketingIdeas.Com's package without setting up websites.

When you join our [affiliate program](#) you will receive a unique url containing a **unique affiliate id**. You only need to promote your unique url to get credit for your sales. Joining our [affiliate program](#) is FREE. Click [here](#) to join NicheMarketingIdeas.Com's [affiliate program](#).
